

My Thankful Tree Craft

Directions: Use my free My Thankful Tree template and use the leaves attached to create your own thankful tree.

You can also have the kids cut the tree and leaves out and paste them on a different sheet of paper. The kids will color the tree and leaves and write what they are thankful for on the leaves.

Thanks for downloading from abcdeelearning.com! I hope you enjoy this download. By downloading this product, you are licensed as a single user for classroom and personal use. Do not copy or claim as your own, any part of these materials. You may share this through social media, but please provide credit to my site through a clickable link.

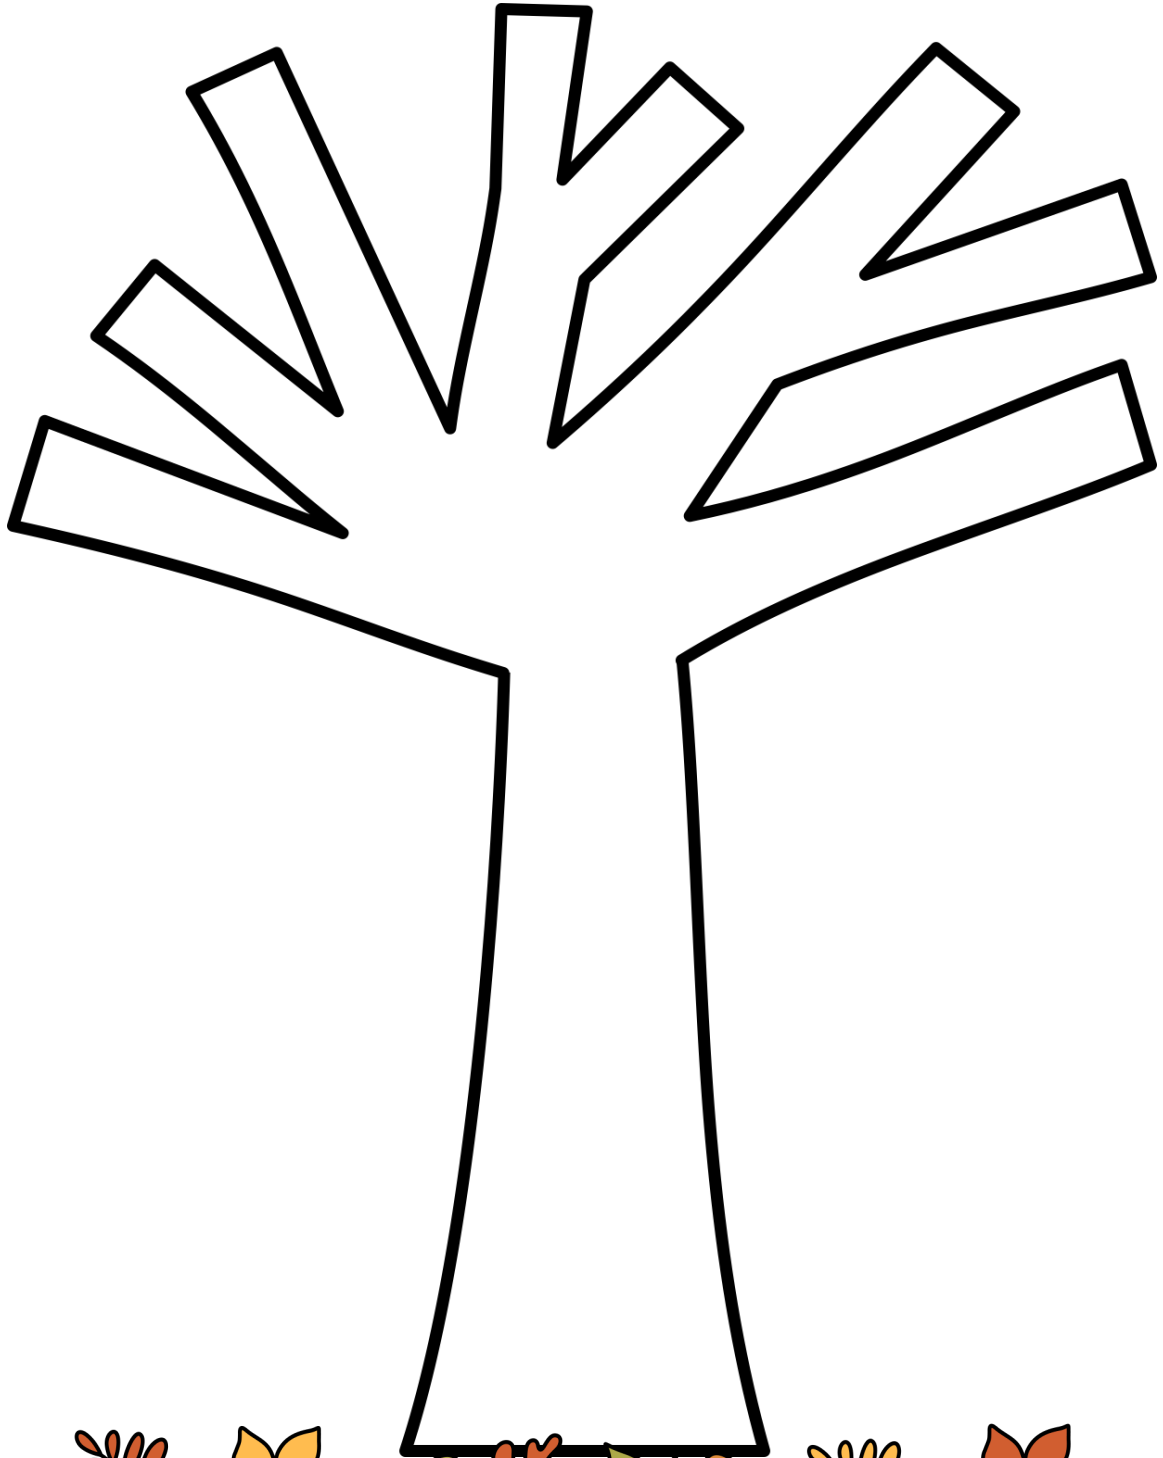

Thank you to the amazing clip art artists that helped me be able to create these worksheets!

**Thank you
Happy crafting
Deena**

My Thankful Tree

Thankful Tree Cut + Paste Activity

Directions: Cut out the tree shape and cut out the leaves on the next page. Paste the tree on construction/cardstock paper and then cut out the leaves. Write reasons why you are thankful on the leaves, color them and paste them on the tree!
